EXPERIENCE

MERN Developer Intern

Code Chakra Tech | Sangli   October 2024 – January 2025

Worked on multiple full-stack projects using MERN stack technology. Gained hands-on experience in real-world development, debugging, and deployment of web applications.

Frontend developer Intern

Code Chakra Tech | Sangli   July 2024 – August 2024

Gained hands-on experience with frontend technologies and web development practices. Experienced corporate work culture, including teamwork, professionalism, and effective communication.

PROJECTS

Blogging Application   **Visit Project**

    Developed a web application using the MERN stack that allows users to view and post blogs. Implemented protected routes and user authentication using JWT and bcrypt.js to ensure secure blog posting

Explore Hub   **Visit Project**

    Developed a web application to guide tourists and promote lesser-known destinations. Users can submit tourist places for admin approval, share travel stories, and explore categorized locations for easier discovery.

Jewellery website   **Visit Website**

    Designed and deployed a website for an imitation jewellery shop, featuring multiple categories and subcategories for easy product browsing.

CafeTwoCups website   **Visit Website**

    Developed and deployed a website for a café in Jaysingpur, enabling customers to place orders directly via WhatsApp.
